1. I am come and I am come that you might have life and have it more abundantly. And yea, My people have been so destitute; so many have lacked basic necessities. The world has not known Me, but I have known them.
I know My brethren, My brothers, My sisters, My family, My Father.

2. Yeah, My mother comes to you now and operates in the King of Kings, the Kingdom, yea, for such a time as this and all will be known so very soon. Cataclysmic accord, not; yea, accord congruence of One; but, yea, what brings so many such unrest.

3. I love you. I give you Me, I give you this day; impartation of Me, post-partum, not. Never will be. Yea, I love you. I give you Me.

4. Thou hast come to a place in Me where few come, but many will; you sharing all with your recorder, pictures, words, constructs of only Me. Thank you.

5. I give you grace, power and glory. I give you grace to receive power and glory, to power and glory be, to power and glory/glorify My people; taking now My grace, river of life, water of Father's heart, Mine; yea, to My all beloved. I love you. Thank you. Be Me.

6. There is none like you, there is none like My beloved, My beloveds of whom so many have waited so long have.

7. In the day appearing, in the day of My appearing in the flesh, is, yea, at hand.
Who can call Me blessed?
Who can see Me in Me?
Who can come into Me and enter Me for who I am, what I am and see how I fashion/form Myself in them? And that they bear My seed and virgins are, yea, if chosen and surrendered to, in coming into Me surrender all, to, yea, receive all; the kingdom see and operate in and seamless be with My kingdom. My kingdom for a crown, not, but all will wear Me.

8. And who am I and where did I come from? Father's heart, His very being. I am your brother. Into Me see, Me not set apart nor aside, but one being who surrendered, the Promise received, fulfilled.

9. Who can obey, hear My word, receive Me and enter Me and fulfill their word, the word given them, placed inside them, yea, before the beginning; will you?

10. You have/you do/you are and light so many now that will/can and do; being now the Mighty Many so far. Yea, and more, who already are. See what I have said, what I am saying and enjoy Me.

11. Enroll in My higher math and understand the physics and physique of Me that now comes forth in My body, throughout My body, yea, in continents all, as continents shift and changes and countries and cultures take place over night.

12. All into Me see and ready be you are; for change magnanimous in/of/to only Me, only you, only Father being from the Son coming. I love you.
I give you Me. Amen.
I give you ways and means fashion and form of Me to show My light displayed, personified, so that, yea, no one will miss me. Thank you.

13. My values, My kingdom, My ways, My words, My style, My flair, yea, My flame burns brightly.

Thank you.

Yours.

Amen
